Features

- Two acres of pastoral grounds plus beautifully groomed formal lawns and an authentic, restored Japanese Stroll Garden with a pond and delicate waterfall. The grassy field is suitable for dining, dancing, concerts and activities of all kinds. Even in wet weather, the field drains well and is useable.
- Historic farmhouse with a new & modern kitchen supports catering or can host indoor gatherings for up to 40. Two private rooms (a parlor and one bedroom) can serve as “green rooms,” meeting or prep spaces. A covered porch is ideal for musicians, dining, small group meetings or as a greeting area.
- On-site free parking for about 30 cars. Convenient street-side parking along 107th for many more.
- Vashon Island’s local businesses include restaurants, catering, B&B’s, vacation rentals, event equipment rentals, florists, printing and many musicians, photographers and artists.
- Group transportation (vans, buses, private cars, etc.) can be arranged from mainland companies. Metro bus system serves the island, but has limited service.
- The entire Mukai complex is very accessible to people with limited mobility and wheelchairs
- Farmhouse includes 3 separate and private restrooms, one of which is fully accessible.

2024 Rates

About Mukai Farm & Garden

Mukai Farm & Garden is a historic complex operated for public use, enjoyment and education. The Mukai family lived on Vashon from about 1915 until the 1990s. They built the home and developed their successful agricultural business at the current site in 1927. The complex is owned, curated and operated largely by volunteers with Friends of Mukai, a 501(c)(3) non-profit organization. All income supports the operation and further restoration of the complex.

Awards and recognitions for exemplary restoration and preservation have been granted:

**Washington State Register
of Historic Places - 1993**

**National Register of
Historic Places - 1994**

**John D. Spellman award for
Exemplary Achievement for
Garden Restoration - 2020**

**Honorary designation of 107th Ave SW as
